

Inclement weather and emergency procedures

In the event South Lane School District is forced to close or delay opening any of its schools due to weather or other emergency, designated media sources will be contacted.

For up-to-the-minute school closure/emergency information or to subscribe for automated updates please go to Flash Alerts Web page for South Lane School District.

You can also follow South Lane School District on Twitter @SouthLane_SD and on Instagram at SouthLaneSD

South Lane School District may use an automated dialer to call and email staff and students regarding school related emergencies. It is important that your child's school has updated phone and email information for this to be a success.

Emergency Release Information

If a two-hour delay is reported, there will be no morning kindergarten.

If an elementary school is closed early or evacuated due to an emergency, every attempt will be made to contact families by phone (please make sure your child's school has all available phone numbers to reach you in an emergency). Students will not be allowed to walk home without a responsible adult. Bussed

students will not be dropped-off at an empty house, without prior permission.

Students will be kept at the safest location possible during any emergency situation and will be cared for by district staff until they are picked-up by their families. Please be prepared to show identification and follow on-site check-out procedures when picking up your child.

If a middle or high school is closed early or evacuated due to an emergency, regular dismissal procedures will be used. If the emergency prohibits regular procedures please listen to the radio stations above or click <http://www.valleyinfo.net/> to get information on evacuation procedures.

If a school is closed early or evacuated for any reason, media sources will be notified and information will be posted at <http://www.valleyinfo.net/>.

DORENA ELEMENTARY

KATIE HENRY

Katie Henry is an eight grade

student at Dorena and she is our Student of the Month for many reasons. First is her EXCELLENT ATTENDANCE, second is her dedication to her school work (she actually does her homework, willingly!), and third is for her amazingly positive attitude. She is always willing to help anyone. She is there for her friends and brings sunshine and good feelings to everyone around her. THAT is why Katie Henry is our Student of the Month.
