

# Latham School News

This past month has been a busy month for Latham! On Sept. 29, London and Latham students enjoyed watching a nationally recognized live theater show at Latham. FOODPLAY included juggling, motivating messages, music, magic, and audience participation to help the students learn how to grow up healthy, happy, active and fit. The assembly was funded by our district's Farm to School grant.

Classes at Latham had fun learning on different field trips during the past month.

Kindergarten and second grades went to Amber and Ruby's Farm.

First grade visited the Fire Station.

Third grade went to Mt. Pisgah.

Students in Mrs. England's first-grade class at Latham had fun with "Pumpkin Investigations". Using pumpkins donated by Shady Oaks and from the school garden, they measured circumference, counted seeds, created a graph and wrote about their pumpkins.

Mrs. England's first-grade students engaged in 'pumpkin investigations,' using pumpkins from Shady Oaks to analyze them and make measurements.

London and Latham students watched a theater performance entitled "FOODPLAY" on Sept. 29.

He is a 9th grader in Ms. Rae's class. He is being honored for his great effort on Achieve3000, our online reading program.

**Austin Cahoone**

24 N. Ninth St. • 541-942-2551

## YONCALLA MIDDLE SCHOOL

Gabe is currently on the Middle School Football team for YMS. He is a running back on offense and a Nose Guard or Linebacker on defense. He plans to play basketball and track in the winter and spring. When Gabe is not in school, he likes to play on his iPad, his pet hamster Cleo and hang out with his friends at the skate park. After school, Gabe plans to become a firefighter. When asked why, Gabe responded a smile saying that it is something he has always wanted to be since he was really young.

## COTTAGE GROVE HIGH SCHOOL

Lauren is one of our Link Leaders that helped with 9th grade orientation and she is also one of the coordinators for the Community 101 program that my link class is a part of. Lauren is very self motivated and takes initiative to get things done. She was in charge of developing and constructing kits for teachers that are working to make connections with 9th graders. Lauren is also a host for the athletic department.

## YONCALLA HIGH SCHOOL

dirt bikes. When asked to tell us something we didn't know about him, Taylor replied "I am pretty much an open book. Ask me something and I'll give you an answer". When Taylor graduates from YHS, he plans to take some time to prepare for a climb to Everest - something he hopes to accomplish before he is 20 years old. After that, Taylor plans on being a Forest Manager. He would like to work in logging and heavy equipment operation. He has grown up working on farm equipment such as tractors and would love to work with excavators, CATs and larger logging equipment.

**TAYLOR KEEVY**

Taylor is a freshman at YHS and his hobbies include fishing, hunting, 4wheeling and riding
