Got horses, mud?

The rain is here and farms are muddy. Horse owners facing the realization of several months of mucky barnyards, paddocks and pastures are invited to consider joining others in the same situation and make a plan for the future.

The "Horses and Mud" class will be taught by Melissa Fery, Associate Professor of Practice with OSU Extension Service Small Farms Program. It will teach options for reducing mud by planning for all-weather pad-

docks, strategies for pasture management and best practices to handle and compost horse manure.

This class will be held on Tuesday, Dec. 6 from 3-5 p.m. at the OSU Extension Service - Lane County office at 996 Jefferson Street in Eugene. The cost is \$10, and pre-registration is required. To register, send \$10 per person check made out to OSU Extension Service and mail to 996 Jefferson Street, Eugene, OR 97402. To pay with a credit card go to link on website <http://extension.oregonstate.edu/lane/horses-mud>
