

Carousel House offers suite comfort, brilliant views

Judd and Sharon spent a great deal of thought when they designed the Carousel House. They created two non-smoking suites rather than more, because they know that maintaining comfort can become lost in larger establishments. Suite comfort will be enjoyed at the Carousel House.

Your suite was designed with your comfort in mind. Each suite features queen-sized beds, extraordinary comforts, private baths, phones, plush armchairs plus a TV and VCR for your enjoyment. You will enjoy the beautiful views.

Carousel House also caters. Any occasion catering is our specialty. Simply give us a call, and we'll take care of all your needs. From simple to extravagant, Judd and Sharon will give you the best.

It is their extreme pleasure to welcome you to their home. They take special care in making sure you enjoy your stay at the Carousel House and look forward to meeting you.
