OPB Adds New Children's Channel

SLTV is pleased to announce that Oregon Public Broadcasting has added OPB KIDS to their programming

Television continues to be the most widely used platform for children's educational content, especially among low-income families," said PBS President and CEO Paula Kerger." The new PBS KIDS channel, Kruger adds, is available 24 hours a day. She also noted that given that 54% of all children nationwide do not have the opportunity to attend preschool, providing access is a critical element of the PBS public service mission, reaching more kids aged 2-5, more moms with children under 6 years old, and more children from low-income families than any other children's TV network.

PBS KIDS is currently the leader in streaming video, placing first in the kids' category for total video views and minutes spent. In a recent survey, PBS KIDS led all networks in improving kids' behavior with 74% of parents saying their child exhibits more positive behavior after engaging with PBS KIDS. And because PBS serves all children and attracts a higher proportion of viewers from Hispanic and low-income households, compared to their representation in the U.S. population, SLTV is proud to have them on our free TV systems in Cottage Grove and London on Channel 28.3.

Note that OPB radio has moved to 28.4. No scanning should be necessary for most digital TVs, but if you are not seeing OPB Kids on Channel 28.3, you'll need to re-scan your TV or digital-to-analog converter box.

Happy viewing! Lloyd Williams, President
