

Latham happenings

Submitted by Latham Elementary

Two Latham students play chess.

Our February Afterschool Clubs were a huge success! They included Valentine's Day Crafts/Board Games, Science Fun, Chess, Jump roping, and a Preschool Storytime with Mrs. McMichael, our kindergarten teacher. The preschool story time allowed future kindergarten students to get a taste for what they will see and do in kindergarten next year. We hope to have a few more sessions of preschool story time before the school year is over.

Beginning next week, Latham students will read their way around the world to earn

books and fun adventures. Also, the week of February 27-March 3, we will celebrate Dr. Seuss's birthday with Spirit Week: Hat Day (Cat in the Hat), Crazy Socks (Fox in Socks), Crazy Dress (Wacky Wednesday), Favorite Dr. Seuss Character, and Wear a Shirt You Can Read (I Can Read With My Eyes Shut). March 2 is our Science Fair Night and our Reading Faire with ideas for parents to take home. We hope to see a lot of students and families participate!

SLSD holds open enrollment, window March 1-April 1

South Lane School District, in compliance with HB3681, has determined the number of non-resident students that will be accepted for enrollment for the school year 2017-2018.

The Open Enrollment window is between March 1 and April 1, 2017. Non-resident students may apply to transfer from their resident district to South Lane School District. If more requests for transfers are received than slots available, a lottery will be held. Once a student is accepted into South Lane School District under

HB3681, he/she will be considered a 'resident' of SLSD through grade 12. Exceptions to this are if the student withdraws from the SLSD school in which enrolled or moves out of state.

South Lane School District declares the following openings in enrollment for Non-Resident Students:

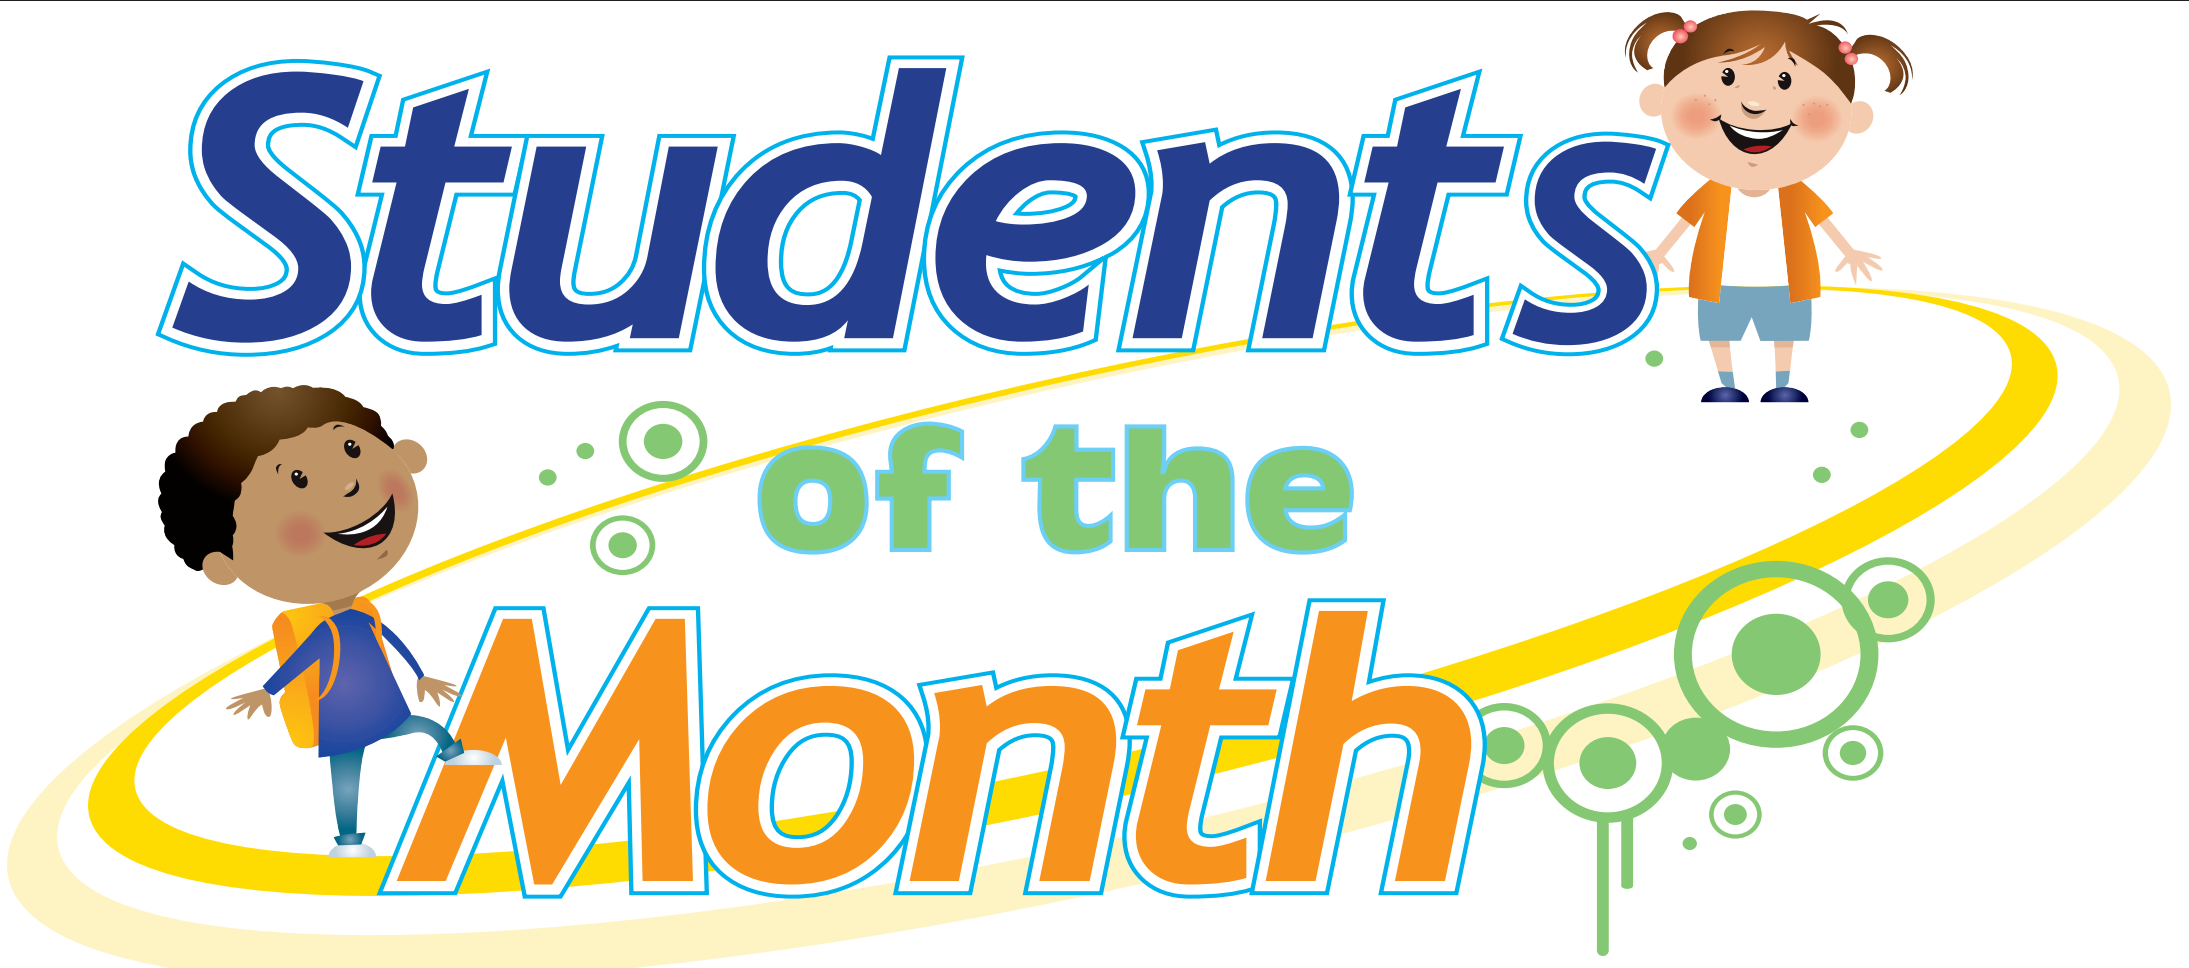

Openings are declared by grade levels. Students currently attending an SLSD school on an out-of-district transfer agreement will be given priority and while every attempt will be made to accommo-

date specific school requests, it is not guaranteed.

Interested Non-Resident students must submit a completed South Lane School District Open Enrollment form to the SLSD District Office or an SLSD school by 4:00 pm on April 1, 2017. Accepted applicants will be notified no later than May 1, 2017.

For further information contact Tonya Kerns at South Lane School District Office, 541-942-3381 ext. 121 or visit the district's website at www.slane.k12.or.us.
