with a throw of 65 feet, one inch.

In the jumping events, Keara Murphy snagged another first-place finish in the triple jump with a distance of 30 feet, 11.5 inches, and Boxberger took third place with 27 feet, four inches. Gordon took fourth place in the long jump (13 feet, 9.25 inches).

Murphy stayed safe last week, only competing in the triple jump. Last year, Murphy competed at the state meet in the high jump event as a sophomore. The results of other events will be something to pay attention too as the season goes on for the junior.

South Valley Athletics wishes to extend a huge thank you once again to all of our supporters out there for the 2017 basketball/cheer season! We had a great turnout of parents as well as members of our community that don't have kids in our program who came out to help make another great season! Thank you so much for all the hours you put into these young athletes!

Thank you to our referees, clock & score keepers, who are mostly high school students, for putting in time on Saturdays to help teach the kids the game of basketball.

Thank you to all of the spectators who came out each week, even when it was super early and cold, to cheer on all these kiddos! We love to see the support of our community each week!

Thank you to Jabar's for coming out each week and having concessions. It's great to have your support at all of our games!

Thank you to South Lane School District and Riverside Church for the use of the gyms each week for practices and games! We truly appreciate the ability to have these facilities for our use. And a special thank you to the SLSD maintenance crew for making sure these gyms are safe for all of the kids! Your work and dedication does not go unnoticed!

Thank you to the following businesses for sponsoring a team in our league this season:
