•Clarification•

In an article published in The Sentinel on April 19, entitled "Within their means," it was reported that Drain, Oregon residents pay less for water service than residents in Cottage Grove. However, water and sewer costs are separated into two bills in Drain which add to a total of \$100. Cottage Grove rates average \$100 per month as well but include both water and sewer. The Sentinel regrets the comparison. Please bring all errors to the attention of the Editor at (541) 942-3325 or cmay@cgsentinel.com

Drug take back event

The Lane County Sheriff's Office and Drug Enforcement Agency held its 8th Annual National Drug Take Back Event on April 29, 2017, aimed at providing a resource for Lane County residents to safely, securely and anonymously turn in their unwanted, outdated or expired household medicines. The sheriff's office has participated in this program for several years and has been successful in removing hundreds of pounds of medications for safe disposal. In 2016, 185 pounds of medications were turned in by the community of Lane County. Residents were invited to bring their unwanted, outdated

or expired prescription and over-the-counter medications in for safe disposal. For residents who were unable to attend the Drug Take Back Event and have medications they would like to dispose of, the Lane County Sheriff's Office has a Drug Drop Box located in the Central Reception lobby in the Lane County Courthouse that is available to accept medications Monday through Friday from 9:00 am to 5:00 pm, excluding legal holidays. The Cottage Grove Police Station also has a box in the lobby of their office located on Main St. inside of city hall.
