**HOROSCOPE**

**ARIES** - Mar 21/Apr 20  
 Accept that sometimes things will not go your way, Aries. However, you can learn to adapt and find balance in any situation you find yourself in.

**GEMINI** - May 22/June 21  
 Gemini, don't hesitate to let others know how much they mean to you. Such simple gestures will be appreciated and help you maintain strong relationships with those you love most.

**LEO** - Jul 23/Aug 23  
 Next week may be a better time to make a big decision, Leo. Coast along for a little bit longer and get a feel for the lay of the land before making your decision.

**LIBRA** - Sept 23/Oct 23  
 Libra, don't let any opportunity pass you by this week - even those that may seem like they won't yield much reward. Everything is a learning opportunity.

**SAGITTARIUS** - Nov 23/Dec 21  
 Think of something you can do that will be a big risk and out of character, Sagittarius. It may give you a rush of adrenaline this week and pave the way for new interests.

**AQUARIUS** - Jan 21/Feb 18  
 Someone you wouldn't normally look to for advice provides some invaluable wisdom in the days ahead, Aquarius. Heed this advice and express your gratitude.

**TAURUS** - Apr 21/May 21  
 Discovering all of the answers need not be your goal all the time, Taurus. Keep in mind that the journey can sometimes be more rewarding than the destination.

**CANCER** - Jun 22/Jul 22  
 Cancer, when in doubt, speak with someone who has more experience than you. It's a big person who can accept help when it's needed, and others will be willing to help.

**VIRGO** - Aug 24/Sept 22  
 Coming across memorabilia or old photographs may have you thinking about those who came before you, Virgo. It is a good week for introspection and reminiscing.

**SCORPIO** - Oct 24/Nov 22  
 Obsessive thoughts will not make the solution to a problem come any easier. It's better if you clear your head and then maybe the ideas will arrive when you least expect.

**CAPRICORN** - Dec 22/Jan 20  
 Capricorn, look at yourself in the mirror and tell yourself that you can handle whatever comes your way. You are the only one who can derail your plans.

**PISCES** - Feb 19/Mar 20  
 Pisces, instead of focusing on all of the little details, look at the bigger picture. This will prove to be the inspiration you need to stay motivated.
