## The 1958 Black Sox return to Drain to dedicate North Douglas field

On Saturday, May 13, players from the 1958 national-title winning, semi-pro baseball team, the Black Sox returned to Drain. At North Douglas' field, the players met today's high school team, donning old fashioned uniforms and saw the field dedicated in their honor. Original players Dan Luby and Irv Roth came out for the event and current high school senior Brent Taylor was the lucky catcher to receive for the 1958 players.
