

Vietnam: InnerView

Cottage Grove resident Marc Waszkiewicz was 19 years old when he landed in Vietnam. He won a camera in a poker game the first week he was there and during his three tours in combat, he photographed his daily life. The photos have been compiled into a book, now available at the Book Mine. Waszkiewicz will be holding a book signing this Friday during the Art Walk between 4 and 7 p.m at the Book Mine.

The photos will join a documentary: "Vietnam an Inner View" as well as an album and Waszkiewicz's memoir later this year. For the full story, please see pages A1 and A11.
