# Historic Renovation Grants Available

The Cottage Grove Historic Landmarks Commission is extending the opening for applications for the annual Historic Renovation Grant Program. This program is designed to assist Downtown business & property owners with needed historic renovations. We have \$5,000 to distribute this winter in matching grants of up to \$2,500, depending on the scope of the project. This is the seventh year of this grant program. Prior recipients have included the IOOF (sign repair), Crafty Mercantile (rear door), the Cottage Grove Hotel (new awning), Burkholder Woods (corbel repair), Mortier building (Coca Cola mural, masonry repair), 802 E. Main Street (new stucco, roof repair), the Bookmine (awning and siding repair), and the First National Bank (masonry cleaning, windows repair). The Historic Landmarks Commission will make these funds available to Downtown Historic District property owners or tenants who want to make improvements or perform maintenance on the exterior of their building. Projects must meet the Secretary of Interior's Standards for Rehabilitation to qualify. Also, project work plans must be approved by the Historic Landmarks Commission and the State Historic Preservation Office before work may begin. Applications must be submitted by September 8, 2017. Work must be completed (and receipts turned in) by June 30, 2018.

If you are interested in applying, please contact the Public Works & Development Department at 541-942-3340 for more information. Applications and grant program guidelines are available at [www.cottagegrove.org](http://www.cottagegrove.org) or from the Public Works & Development Department, City Hall, 400 E. Main Street.

## Meet the DJ/Program Host

ROB WARD

Rob loves the music he is playing! Rob invites you to tune in on Wednesdays, call-in your requests and enjoy some great Rock 'n Roll, Soul and Rhythm & Blues tunes. Rob was born in San Francisco in 1954 and grew up listening to KYA 1260 and KEWB 910, then later to KFRC 610. Rob formed his first garage band in 1966 as a 12-year-old, and continued with the same bandmates until early 1969. If it was played on top 40 radio, Rob heard it. His love for 50s and 60s music continues today and he loves keeping the music of the 50s and 60s alive, especially songs that should have been heard, but weren't. When he's not spinning records at KNND, Rob is the co-owner of Grill & Chill, "the little blue box that rocks on the corner of 9th and Whiteaker". He invites you to stop by and say hi.
