THIS TV RETURNS TO SLTV ON CHANNEL 14.1

As many viewers will recall, some months ago, KVAL dropped This TV in favor of Charge!, a television network owned by Sinclair Television, the owner of KVAL. South Lane Television has been working since that time on replacing the popular This TV. That possibility came about when KEZI added ION-TV on 9.3. As SLTV had broadcast ION-TV for many years on Channel 14.1, This TV, which comes to us via KOBI in Medford, finally had a channel to land on. This TV is an American digital broadcast television network that is owned by a joint venture between Tribune Broadcasting and MGM Domestic Television. The network maintains an emphasis on films, but also airs other limited general entertainment content in the form of classic television series and children's programming; the network is devoid of infomercial programming. This TV also features movie themes, with the entire day's schedule consisting of films from a particular genre.

In addition to its film content, the network also carries some popular vintage comedy and drama series from the 1950s to the 1990s. Its core block of classic programming is "TV Night on This," a weekend prime time lineup – comprising multi-episode blocks of two series each night - as an extension of an existing Sunday evening rerun block featuring a lineup of Westerns such as The Magnificent Seven and Dead Man's Gun on Saturdays and police procedurals such as In the Heat of the Night and Cagney & Lacey on Sundays.

Tribune Broadcasting also operates This TV's sister network, Antenna TV, which is also available on SLTV at channel 44.7.

WEEKDAY MODNING
