**NOTICE OF PUBLIC HEARING
PLANNING COMMISSION - CITY OF
DRAIN, OREGON**

Notice is hereby given that the Drain Planning Commission will hold a public hearing on Monday, November 6, 2017, at 7:00 p.m. in the Meeting Room, of the Drain Civic Center, 205 West "A" Avenue, Drain, Oregon. The purpose of the hearing is to take public testimony, either written or oral, on a request by Warren DeLaVergne & Earnie Malchow for a variance to Section 9.610 Maximum Structure Height (3' if less than 20' from the front property line, or less than 10' from street side property line of a corner lot; 6' elsewhere). The subject property is located at 105 Second St., 115 Second St., 135 Second St., 237 W. B Ave., 0 W. A. Ave., zoned Commercial (C-1) and is located at Township 22, Range 5, Section 17AB, Tax Lot 5300, 5300A1, 5500,5600,5700,5800 on the Douglas County Assessor's Map.

Criteria for Decision Making: A variance in the requirements of the Drain Development Code or Standards Document may be granted if the following criteria are met: (a) the property owner is unable to enjoy the substantial property rights enjoyed by other in the same zoning classification; (b) the application of rules and regulations would cause an undue or unnecessary practical difficulty or physical hardship, (c) the variance will not be materially detrimental to the purposes of this Code or property in the same zone or vicinity in which the property is located; (d) the variance is consistent with and promotes the objectives of the Comprehensive Plan; and (e) the variance granted is the minimum variance that would alleviate the hardship.

Submitting Testimony: The applicant and other participants may present evidence and rebut opposing testimony at the hearing. Prior to the close of the hearing, a participant may request that the record be kept open so that more evidence may be submitted. After the record is closed, no further testimony may be received. Failure of an issue to be raised before the close of the final hearing, in person or by letter, or failure to provide information that is sufficiently specific to afford the decision-maker an opportunity to respond to the issue, precludes appeal to the Land Use Board of Appeals (LUBA) based on that issue.

Public Availability of Records and Documents: All documents, evidence and applicable criteria to be used by the City may be inspected at City Hall. The staff report will be available for inspection seven days prior to the hearing. Copies of all documents are available at reasonable cost. For more information, contact Grace McNeil, Drain City Hall, 129 West "C" Avenue, Drain, Oregon 97435. Telephone: (541)836-2417.

DATED and first published: October 18, 2017 /s/ Tina M. O'Neil Personal Representative 524389

If public notices aren't in the newspaper, how will the public notice?

Zoning changes. Tax increases. Legislative proposals. These are just a few ways government actions can affect your life and community.

80% of all Oregon adults read a newspaper at least once during an average week, and 54% read public notices printed there.*

But federal, state, and local government agencies erroneously believe they can save money by putting public notices on their web sites instead. If that happens, how will public notices be ... well, noticed? Less than 10% of the U.S. population currently visits a government web site daily.**

You should not have to know where, when, and how to look, or what to look for, in order to be informed. It is the government's responsibility to deliver notice to the public.

Take notice.

Your right to know is being served right here: in your newspaper.
