I am thankful for my ability to draw. I think that drawing is really cool, drawing can be fun, hard, sad, frusterating, easy, funny and lots of stuff. Drawing makes me calm and happy, that's why I like it so much. I'm thankful for my sister Stephanie, she is really nice and kind. I'm thankful, well, REALLY, thankful for pillows. If pillows didn't exist, I wouldn't get a good night sleeps and sometimes I randomly draw faces on

pillows. Pillows are just really cool. The E...wait! If we didn't have pillows we couldn't make pillow forts or splitters or even pillow fights. Now for real this time, THE END.

I am thankful for being able to be in school. The reason I'm saying this is because, not many kids can go to school. When my parents were in school they didn't make it to college. They didn't go to college because they didn't have enough money. When they told me they didn't go to college, I tried to do well in school. When ever I told my mom I finished all my work, she was happy. She is very proud of me. I was also very proud of myself. So that's what I'm thankful for.

I am thankful for all the people who donated to the canned food drive for the cub scouts. It was fun. Some people did it with us, even the Boy scouts. We brought to community sharing. Some people had something to donate. Some people did not. Some people were not there or did not come to the door. But the people that did were helpful and friendly. I'm thankful for the donations.

He also loves to lie on his back with me when I'm watching Youtube. My parents are also super nice and they comfort me when I'm upset or something. Also Stustu and I love to play outside and when he gets really happy he goes crazy and hops everywhere!
From Joslyn V.

I am thankful for my family. I am thankful for the family that I have. My family is sweet and kind to me. My brother, Alex, is one of the nicest people I know. My dad is super nice too. He pushes me hard to get better at things. My mom is so sweet and kind, as are the rest of my family. I also have a dog named Rocky, he is a kinda sweet dog, but he can be rough and bite. Rocky is a dog that loves to play fetch before I go to bed so I play with him but all the other hours of the day, Rocky, he just sleeps all day long. One of the laziest dogs I know. I am also thankful for the friends I have. My best friend is named Kylee. She is nice and I love her as a friend. I love it when she comes over to my house. We have so much fun. Another one of my best friends, her name is Allison. She is an enthusiastic person. She is also nice and funny. She is one of my best friends. I like to hang out with her at recess.

I am thankful for family because they care about me. My mom says to me and my brother, sometimes not all kids have good parents like we do. I feel bad for those kids, but at least I have good parents. My Grandparents watch and take care of me after school until my mom gets off work. Speaking of my mom's work, she works all week and sometimes on Saturdays. I'm happy for her because she's the boss of two banks. So she earn just enough to keep a roof over our heads. I'm thankful for how hard my mom and Grandparents work. I love them for that.
From Allison P.

I am thankful for my family because they love me just like I love them. My family is always there for me when I need them. My mom is my best friend and she loves me. My dad makes me laugh whenever I'm sad. My little brother makes things fun whenever I'm bored. My big brother helps me to succeed. I am also very thankful for our baby who is on its way. My cat lucy can even be funny sometimes. My family always encourages me to succeed and they keep me happy no matter what! We all love eachother. All together we make a perfect family. I would not be myself if it weren't for my family. I have a lot of family and they are also a big part of my life. This is only part of the reason I love my family!
From Jocelyn T.

I am thankful for my friends. We should all be thankful for our lives because it is what we love the most. Some people are or should be thankful for our families. A lot of people are thankful for our pets because they are fun to play with. I am thankful for my mom and dad. I am thankful for the games so we can always be happy. School is what I am also thankful for so we can all learn. I like exercising sometimes because I want to stay in shape. I love my life because I have fun. We love holidays and everything else in the world that is nice and lovingly.

I am thankful for my stepmom Wendy and my pug Roth-Lee. I am thankful for Wendy is because Wendy makes delicious food and takes me and my brother to very fun places. She also takes really good care of me and my brothers. She buys me a lot of clothes and shoes. I'm happy that she takes me to horror movies and spends a lot of time with me. I am so lucky to have her. Why I am thankful for my pug Roth-Lee is because he always tries to cheer me up when I'm sad and tried to get me to play with him. He is really fun to play tug of war with him. Even though he is old he still plays like a puppy (sometimes). When my baby brother is sleeping he stays in his room and waits for him to wake up and goes and gets Wendy. I'm so lucky to have him.
From Genesis E.

I am thankful for school because without school we would never learn things like math, science and reading but you also would not learn to be sociable. I am also thankful for my friends and family because without my friends and family I would be able to accomplish nothing. For example without my mom and dad I would not be able to travel as much as I do without my friends I would not laugh as much as I do because they are funny. I am especially thankful for my friend Ethan because he is my best friend and I have known him for a long time. I am thankful for food and water and the fact that I am alive, I am thankful for these things for obvious reasons are of course that I need these things to live especially the last one.
Finn V.

I am thankful for books. I like to read books. I read in school. I am reading the Harry Potter seresi, I love to read. I could reading the daytime for a long time. Reading is fun. Reading helps me learn I can be smarter. I read every day.

I am thankful for friends because if I had no friends I wouldn't have anyone to care for me but family. I would also have no one to play with or do anything. I am thankful for a roof over my head, nice things like clothes and a phone like the i-phone 5S and video games. I am thankful for food and clean water. I have good food like every night. I have a mom and dad to look for me. I am thankful for enough money to do sports like football because so many kids don't have the money. I am thankful for school because a lot of kids don't have a education. I am most thankful for my good parents. Some kids parents are
