

Michelle Dockery

"Good Behavior" on TNT and "Godless" Netflix

"In our family, we always buy each other Terry's Chocolate Orange. It's English. It's always in our stocking and it's been a tradition for years in our family. And sherry. Before you do anything, actually, you wake up – me and my sisters wake up and we open a bottle of sherry. And that's the first thing we do on Christmas day (laughs). It's the way to go – crack open the sherry and you're good to go."

Jennifer Nettles

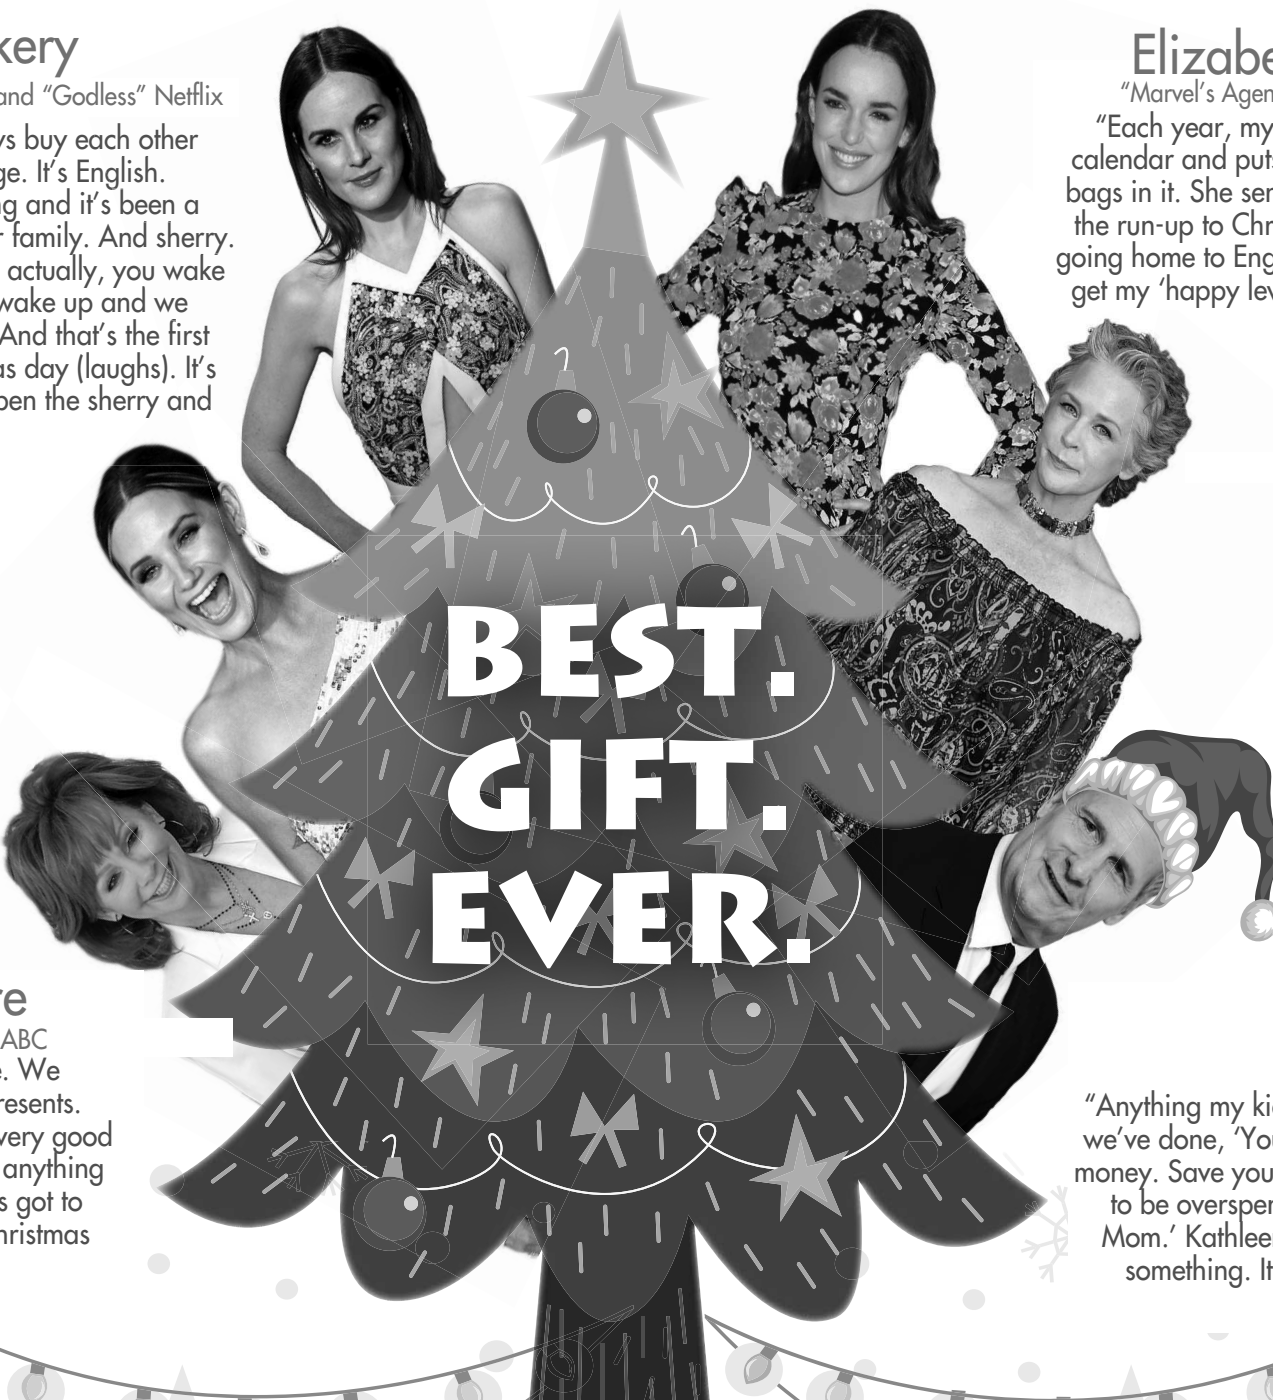

"Christmas in Rockefeller Center" NBC

"I hate to be clichéd, but (my son) Magnus was born on Dec. 6, and that's close enough for me. I'd say that's the best holiday gift I've both received and given!"

Reba McEntire

"CMA Country Christmas" ABC

"We were very fortunate. We always had Christmas presents. Mama and Daddy took very good care of us kids. It wasn't anything elaborate, but we always got to unwrap something on Christmas morning."

Elizabeth Henstridge

"Marvel's Agents of S.H.I.E.L.D." ABC

"Each year, my auntie makes an Advent calendar and puts all different types of tea bags in it. She sends it through the mail on the run-up to Christmas, and I know I'll be going home to England, so it just makes me get my 'happy levels' up for going home."

Melissa McBride

"The Walking Dead" AMC

"My favorite Christmas gift was a book that my dad gave me years ago. It was a big coffee table book about Leonardo da Vinci. But that my dad thought to give me that book was my favorite thing about the book."

Jeff Daniels

"Godless" Netflix

"Anything my kids make for me. Recently we've done, 'You don't need to go spend money. Save your money. You don't need to be overspending on gifts for me and Mom.' Kathleen and I have said, 'Make something. It could be anything.' And those mean a lot."

Nick Gehlfuss

"Chicago Med" NBC

"I've paid my dues, and this is a point where I want to give back -- I always have, but I want to raise the bar a little more -- so I like it when I get something that says a donation to something has been made in my name."

John C. McGinley

"Stan Against Evil" IFC

"My wife every year does these photography books that you can send your pictures to Apple and then they make a book for you and then you have the book. And she does them of the year. And so every year now since I never really want anything, I just want that book. And it's not quite a coffee table book but it's a little bigger than maybe it should be. And every year, I want that Apple photography book of the year. Nothing makes me happier."

Angelique Cabral

"Life in Pieces" CBS

"Well, that would be my engagement ring! My husband proposed to me two days before Christmas, and I was blown away."

Brian Loudon

"Mythbusters" Science Channel

It's not a normal holiday for everyone, but for my birthday I was given a Leatherman from my father probably about 17 years ago now, and it's still on my hip right now. And so of all holidays and all gifts, I've got to go with that Leatherman as probably the most important one to me.

Jon Lung "Mythbusters" Science Channel

My favorite gift is the one I bought myself, which is a Leatherman I use now. ... And I was like, 'You know what? I need a tool.' And I bought it for myself as a 'self-holiday gifting.' It's just something that I use so often and so much that like – I don't know, there's nothing else I own that I use that much.
