A 'Miracle' for 70 years

In the Oscar-winning 1947 classic, "A Miracle on 34th Street," Edmund Gwenn plays a Macy's Santa who gets into trouble when he claims he's the real Kriss Kringle. In a city full of imposters, he can't find anyone -- not even a little girl (Natalie Wood) -- willing to believe in him. With skeptics ridiculing him at every turn, Kringle has no choice but to take his case to court. Only one young lawyer has enough faith to defend him. Maureen O'Hara and John Payne also star.
