Community Medical Center

# The Spirit of Giving

Dear supporters and friends,

On behalf of our patients and caregivers, I would like to express my sincere thanks to the many supporters in our community who have given so generously to PeaceHealth Cottage Grove Community Medical Center Foundation. Your contributions have helped ensure that our friends and family have access to the broad range of local healthcare services that our community needs and deserves.

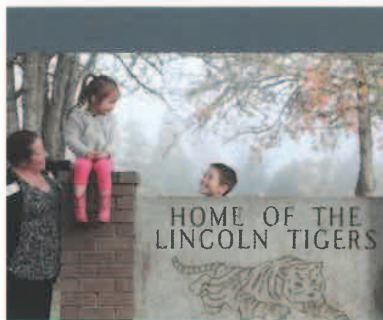

The impact of donor support on the availability of healthcare resources in our community may surprise you. Resources like the Dignity Fund, a remodel of the Dexter Clinic, operational support for the medication management program — as well as the recent purchase of a 3D mammography machine — would not have been possible without philanthropic support. And today, thanks to the generosity of our donors, the hospital provided 12 scholarships to hospital caregivers advancing their healthcare education and training.

It is our Mission to provide these critical services for our community members who need us every day.

Thank you for your support and for helping us provide excellent care for all who walk through our doors.

Sincerely,

Jessica Baker  
Foundation Relations Specialist
