

# Cottage Grove Area Habitat for Humanity®

## 'TIS THE SEASON! HELP HABITAT HELP OTHERS!

This is the time of year when every charity stretches out a hand and asks for your help to meet its mission. This is a good thing because it gives all of us a chance to factor the needs of our community into our Christmas, seasonal and year-end gift lists. So, why should you put Habitat for Humanity on your list? One paramount reason that makes Habitat special is the long-lasting effects of Habitat's actions in this community. Affordable housing and home repairs may take some time to fund and accomplish but when Habitat volunteers are done, a family has a simple, decent home in which to live, raise children, and give back to the community. In addition to building affordable housing, the Habitat repair program provides a previously house-bound person with an accessibility ramp to open a wider lifestyle. New steps, repaired decking, caulked and sealed windows, and more has a long-term effect on the health and safety of a homeowner.

Please make a gift to Cottage Grove Area Habitat for Humanity that will assist to build or repair a home. If your ready cash is scarce, and you have time and skills, please give the gifts of your time and expertise by volunteering at the construction sites or helping in the ReStore. Donate working appliances, furniture, tools, and building materials to the ReStore for affordable resale to others. Donate your old vehicle of any kind (running or not) to Habitat's Cars For Homes program. Leave Habitat for Humanity a legacy in your will or make Cottage Grove Area Habitat a beneficiary of your Trust. *Every gift will make a long-lasting difference in this community!*

The mission of Habitat for Humanity is to eliminate substandard housing and create safe, healthy and affordable housing together with hope for the future ~ right here in Cottage Grove! Working together we all can make this happen and many lives will be changed.

Help Habitat Help Others this holiday season and give to Cottage Grove Area Habitat for Humanity!
