SOUTH LANE TELEVISION UPDATE

As most viewers know by now, the FCC required SLTV to relocate 7 of our 10 translator channels to lower channels. That work now completed, with just a few programming issues remaining.

Overall, that transition has gone well, however a few challenges remain on some programming, such as Azteca that was lost in the transition. SLTV is doing all it can to restore Azteca as it is our only spanish language channel.

Presently, we are broadcasting 35 channels. Additional channels will be added in the near future. It is recommended that you rescan one more time to get all the over the air channels.

Happy Viewing,
Lloyd Williams, President,
