Cottage Events Venue anticipates summer 2018 grand opening

This summer, Cottage Grove will have a new and unique venue for parties of all kinds, including all the parties that go along with a joyous wedding celebration. Weddings, receptions, wedding showers, bachelor and bachelorette parties, rehearsal dinners and receptions ... there are so many ways to celebrate the happy couple! The Cottage Events Venue can be the perfect spot for your special times together.

"I can't wait to get the parties started," says owner Kim Still, "I really love helping people come together to enjoy each other's company, celebrating love and life."

Still has over 25 years of experience in events management and is happy to help with party planning, including decorating ideas and helping to find the right caterers and musicians.

The Cottage is just right for parties of up to 100 guests, and is fully equipped with kitchen facilities, banquet tables and chairs, and table settings. The unique floor layout features a zig-zagging wall of south facing windows that makes it feel comfortable and intimate for even small groups. The building was designed as a passively heated solar building, and that wall of windows on the south side provides plenty of natural light.

The Cottage Events Venue is located at 2915 Row River Rd, in the former Cottage Restaurant building. For information, pricing and booking, contact Still at 541-942-6888 or visit www.cottageevents.com.
