WEATHER

continued from B1

For the baseball teams, not getting field time paired with the new OSAA implementation of strict pitch counts and concurrent rest days put greater pressure on pitchers with less experience.

“Generally, we come in the spring and we say all of you are pitchers. You know, because it’s likely if the weather, like last year we had to play five games in three days,” said North Douglas baseball coach Jeff Davis. “You’re going to have to run somebody out there, particularly with the pitch count rule.”

Having never experienced an Oregon spring, first-year Cottage Grove golf coach Jennifer Husk is coming in with a sunny attitude.

“The rain takes awhile to get used to I think, but it’s just rain,” she said.

“Definitely need some waterproof shoes.”

RINGS

continued from B1

(Left) The team and crowd watch highlights from the championship game on Tuesday night. (Right) One of the championship rings is proudly displayed.

From color schemes, to wordings, to logos, the seniors labored over the finer details until they were able to come up with the ring that they could agree on. The rings feature 4A state champions last name and number on the side and a lion on the other side.

As the players returned to their seats after they were called over and examined their rings, their eyes got big as they took in their newest, or in most cases only, piece of jewelry.

“Just to hear the murmurs as they were opening the boxes the ‘Ohhh!’ Because I didn’t let

them see it. I didn’t let any of the kids see them before they were done. When I got the box I told the kids I got the rings and not one of you is going to look at them until Tuesday night,” said Roberts.

For Roberts, as much as the rings are about the undefeated season and championship run that brought the ring, it is also about what preceded it.

“I think about this team but I also think about the teams from the past. Both the really good teams and the teams that struggled. Because they all worked hard and they all did their best. They all put the time in to get us to this point,” he said.
