Local Programming On SLTV

One of the goals of South Lane Television is to provide as much local programming as we are able to.

Although SLTV is not in the position to create local programming, we have partnered with others to bring entertaining and informative local programming to the Cottage Grove area via two sources: CGTV, which features a variety programming of interest to South Lane viewers that airs on Channel 38.3 and SLCB, a full-time TV station run by the students of Cottage Grove High School on Channel 14.4 (temporarily running on 14.3).

CGTV is broadcast over KHWB in Springfield every weekday evening from 7:00 p.m. to 9:00 p.m. CGTV offers a variety of features and travelogues. The shows are generally produced by Dan Holt, along with several other local film makers. For example, tonight (Wed. 3/21/18), CGTV will be airing Part 2 of "Exploring Arizona", produced by Dan Holt, at 7:00 p.m. Then Thursday and Friday evenings Parts 3 & 4 of "Exploring Arizona" will continue at 7:00 p.m. each night on Channel 38.3

SLCB produces a number of programs from Cottage Grove High School as a part of the Media class. It is fun to watch these creative student films and documentaries. The students have worked with Rick Dancer and a number of Rick's shows also periodically appear on Channel 14.4. In order to fill out a broadcast day, the students split their programming into day-parts, and share their locally produced segments (airing at various times throughout the day) with network shows such as The Classic Arts Showcase and the NASA Channel which runs overnight. SLCB's program schedule is shown in the SLCB program guide located to the right of the SLTV Channel Guide above.

South Lane Television hopes you'll sample these local programs!

Happy viewing!
