PBS WORLD Added to SLTV's Channel 14.1

World is a subchannel of the Public Broadcasting Service. World presents a global look at our planet by showing public television documentaries, non-fiction, science, nature, news, and public affairs. It is contributed to by WGBH-TV, WNET, the Public Broadcasting Service, and the National Educational Telecommunications Association (NETA), and is distributed by American Public Television.

World shows a core three-hour documentary block that repeats several times a day, along with other programs. This gives viewers increased chances to see a particular program.

SLTV has partnered with Southern Oregon Public Broadcasting (SoOPB) in Medford to bring this new channel to our SLTV audience on Channel 14.1.

For most TVs there will be no need to rescan for this new channel. If, however, you are not receiving World on Channel 14.1, please take a moment to rescan.

Enjoy the world!
