If public notices
aren't in the
newspaper,
how will the public notice?

Zoning changes. Tax increases. Legislative proposals. These are just a few ways government actions can affect your life and community.
80% of all Oregon adults read a newspaper at least once during an average week, and 54% read public notices printed there.*
But federal, state, and local government agencies erroneously believe they can save money by putting public notices on their web sites instead. If that happens, how will public notices be... well, noticed? Less than 10% of the U.S. population currently visits a government web site daily.**
You should not have to know where, when, and how to look, or what to look for, in order to be informed. It is the government's responsibility to deliver notice to the public.

Take notice.

Your right to know is being served right here: in your newspaper.

HOROSCOPE

ARIES - Mar 21/Apr 20
Aries, when everything is going your way, you are absolutely glowing. But if things don't come naturally to you, frustration may set in. Find a balance between the two.

TAURUS - Apr 21/May 21
Taurus, planning stages are over and now you're about to turn your goals into reality. Just be sure to adapt to the changing environment as things unfold.

GEMINI - May 22/June 21
Gemini, you might be seeking ways to help others in need, but you do not have patience when things take longer than expected. Stick to the plan and see it through.

CANCER - June 22/July 22
Cancer, it is important to support others' goals and the steps they take to achieve them, even if you do not necessarily agree with their formula for success.

LEO - July 23/Aug 23
Happiness has less to do with what is happening in the world and more with your own perceptions, Leo. Keep this in mind as you move forward in life.

VIRGO - Aug 24/Sept 22
Virgo, challenges at work may be tiring you out. People may seem like they are all over the map instead of working together. Try to get everyone going in the same direction.

LIBRA - Sept 23/Oct 23
Avoid going too far off in your own direction this week, Libra. Before making any rash decisions, take some time to ask questions and get answers.

SCORPIO - Oct 24/Nov 22
Scorpio, if something doesn't initially work to your liking, don't be shy about giving it another go. The challenges ahead will be worth it when you ultimately succeed.

SAGITTARIUS - Nov 23/Dec 21
Your creativity and emotions are linked this week, Sagittarius. Pour your heart and efforts into a special project that reflects just how you are feeling.

CAPRICORN - Dec 22/Jan 20
Nothing in a current relationship is unfolding as you had expected, Capricorn. That's alright. This sense of adventure that keeps you guessing is a welcome change.

AQUARIUS - Jan 21/Feb 18
Aquarius, working closely with others is one of your strong points. Disagreements on how to approach different projects can be tricky to navigate, but you're up to the task.

PISCES - Feb 19/Mar 20
Pisces, this week there may be little separation between your career and personal life. If that works for you, forget the naysayers.
