

**FLY-IN** from B1

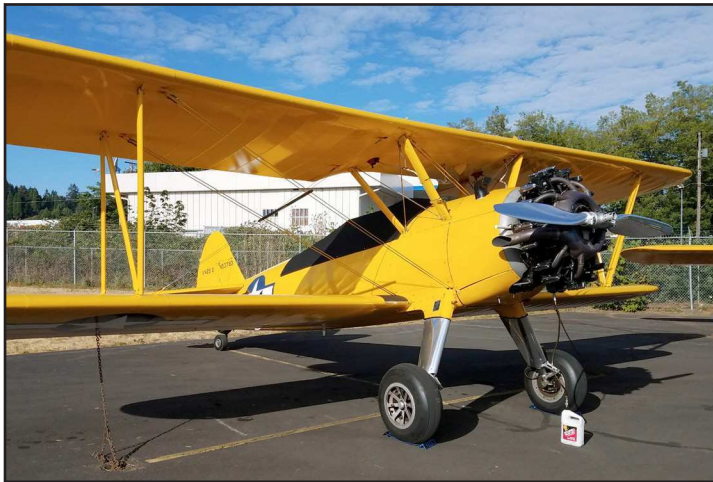

the namesake of Cottage Grove's airfield and local flying legend. Wright is best known for rebuilding a replica of Howard

Hughes' H-1 Racer which led to him breaking the airspeed record with a speed of 303.07 miles per hour. He was the last private citizen to break this world record. Many of the pilots in attendance on Saturday were

friends with Jim.

"All of those guys watched Jim build it. They were there through the process, so it really is like a family reunion," said Barrong. "And they get together and they remember Jim's life and

how charismatic and kind and generous he was. Right here in Cottage Grove. He impacted so much in aviation that we don't even know."

**Selivanova places third in two events**

Sophia Selivanova is a swimmer on the Cottage Grove Aqua Lions club team. This summer she accomplished many achievements in regards to her swim performance. Selivanova's been a member of the team for six years and has been swimming since she was five, in fact she is so dedicated to her sport she will rarely miss a workout. As she has proved to us time and time again her six years of hard work has finally started to pay off. Recently she swam the most laps in the Swim Club's "Swim-A-Thon" fundraiser, and has high placings in almost every meet she attends. However Selivanova's larger accomplishments are truly the most impressive. At the 11 and Over Oregon state meet this past weekend Selivanova competed against youth on 51 teams from all over the state of Oregon. In the Women's 50 meter backstroke Selivanova placed 3rd with a time of 35.49 seconds and in the Women's 100 meter backstroke Selivanova also placed 3rd with a time of 1:18.75. Times and placing like these have even lead her to a regional meet in Federal Way, WA with teams from 11 different states represented, and managed to place in at least the top 12 in each of her events. There is a saying at the pool, "only boring people get bored." And Sophia Selivanova is not a boring person.
