> London School Reunion August 25, 2018 10am-2pm **At London School**

London School is inviting all current and former students, staff and volunteers to come and reconnect with friends on Aug. 25 from 10 a.m. to 2 p.m. at the London School Reunion.

Help us get the word out to your siblings, parents, neighbors, friends and classmates by sending an email, note, letter, or making a phone call to let others know.

We'd like to see as many as possible at this year's London School All Grades Reunion.

There will be a food cart available for purchasing hamburgers, hotdogs, etc. Attendees are welcome to bring a picnic lunch as well.

Coffee, tea and lemonade will be provided. (No alcohol or tobacco allowed). Dessert provided.

Remember to bring your own chair and any memorabilia you may have from London School including pictures, T-shirts, sweatshirts, etc.

For more information or to update your contact information, or to RSVP contact Deb Wiskow 541-942-7612 or gramma4madisen@yahoo.com

Mother, daughter open new eatery

Sweetie Pies Treatery is owned and operated by Shannon and Lia Davey, a mother-daughter baking duo who share a vision for creating a warm and welcoming space serving homemade pies, treats, espresso-based coffees, quiche and daily specials. Sweetie Pies Treatery, located at 647 N. Ninth St. (aka Hwy 99), opened its doors this past Monday. Hours are Monday, Wednesday, Thursday, 7 a.m. to 7 p.m., and Friday and Saturday, 7 a.m. to 9 p.m.

from A1 Wi-Fi

bond.

Douglas Fast Net (DFN), who had representatives at the meeting, would be in charge of the installation process and are already getting prepared.

"We're a little ahead on this one because it's such a large project and so we've been out doing the pre-engineering," said DFN's manager Todd Way. DFN currently provides internet for 14 school districts throughout Douglas County.

In addition to impacting The district is expected to be notified by mid-Septhe schools, DFN would then offer to provide faster tember or October if they internet for residents who are recipients of this federal

live in these areas.

"There's a certain amount of capacity in the fiber – so many strands that have to be dedicated to the school. Any additional capacity beyond that, that I choose to put in, I cover the incremental cost which is really insignificant to the whole project. So, I will use that to fiber the homes along the routes," said Way.

funding.

"According to (Universal Service Administrative Company) it is the most denied application. But with my consultant, we did a lot of work. They put out a lot of documentation because they don't want to see these get denied about what it is they want to see," said Baber. "I very much followed their best practices and so I'm hoping (we get it). The likelihood is high but you just never really know."
