Labor Day or Any Day ... this is a bad combination.

Labor Day is a well-deserved holiday for everyone. And like most holidays, it's a day to relax and celebrate with family and friends. These sponsors would like to remind you that if you celebrate this weekend, please do so responsibly. That means not drinking and driving, using a designated driver, or best of all, being one for those you care about. With your help, everyone can have an enjoyable Labor Day weekend.
