SLTV announces PBS Create

South Lane Television is proud to announce the addition of PBS **Create** to SLTV's 36 channels of free over-the-air television in Cottage Grove. **Create** replaces PBS **World** on SLTV channel 14.1 which moved to SLTV channel 44.3 last week. The move was made necessary by the withdrawal of **NewsMax** on SLTV channel 44.3 from over-the-air television.

SLTV had been rebroadcasting **World** for several months. The parent station for **World** and **Create** is KSYS in Medford. Together, these channels are a part of Southern Oregon Public Television. SLTV is pleased to be able to bring Southern Oregon Public Broadcasting to Cottage Grove to complement Oregon Public Broadcasting whose programming originates in Portland and is found on SLTV 28.1-28.4.

PBS **World** shows non-fiction, science, nature, news, public affairs, and documentaries. It was felt by SLTV that **World** was the best fit in replacing **NewsMax**. "South Lane Television tried to retain **NewsMax** but was told they are changing away from over-the-air broadcasting," said Lloyd Williams, President of SLTV. "World features national and international news, documentaries, and features, so it is really the best replacement for **NewsMax**."

PBS **Create's** program schedule relies on a library of instructional and lifestyle programs. Such as arts and crafts, cooking, gardening, home improvement, travel, and other lifestyle programs.

Again, you'll find **Create** on SLTV channel 14.1 and **World** on SLTV channel 44.3.

These messages are brought to you as a public service by South Lane Television. Our goal is to continue serving the community with the highest quality free over-the-air television service possible.

Stay tuned! South Lane Television, Inc. A non profit organization serving South Lane County since 1957.
