## HOROSCOPE

**ARIES** - Mar 21/Apr 20  
 Information that seems suspect on the surface may turn out to be much more if you're willing to dig a little deeper. Aries. Do not discount anything right away.

 Don't let a minor setback derail all of the plans you have been working on for so long. Leo. This can be easily remedied with the right people offering their support.

**LIBRA** - Sept 23/Oct 23  
 When someone seeks your advice you are always willing to give it. Libra. Just do not freely offer unsolicited advice all the time or friends could view it as lecturing.

 Take a break this week and reconnect with some of the fun activities that you used to do to amuse yourself, Sagittarius. Think like a kid and go to a zoo, aquarium or park.

 Cancer, put your money where your mouth is regarding an important issue this week. You must lead by example, and you're fully capable of doing so.

 Disagreements can cause emotions to run hot, Scorpio. It is best if you find a cool-down measure so that problems do not escalate — especially this week.
