The City of Cottage Grove Public Works Department will be conducting its annual Leaf Pickup during the following weeks:

November 13<sup>th</sup>-16<sup>th</sup> • December 3<sup>rd</sup> - 7<sup>th</sup> • December 17<sup>th</sup>-21<sup>st</sup>

Tips for Leaf Placement in Street

- ✓ **Only piles of loose leaves will be picked up**
- ✓ Pile leaves on the street surface near the gutter, keeping gutter and catch basins free of leaves so storm water is not obstructed
- ✓ On streets without curbs and gutter, pile the leaves near the street surface away from ditches
- ✓ Stack the leaves so that they don't block bike and traffic lanes
- ✓ Leaves should be piled in rows so they do not block the flow of water along the curb and do not encroach on the traffic lane
- ✓ Do **not** place leaves in the streets where curbside parking does not exist. You may bring those leaves to the designated area outside the Row River Water Treatment Plant at 3300 Row River Road
- ✓ Do **not** place your leaves in plastic bags
- ✓ Branches will **not** be picked up
- ✓ Shrub prunings and blackberry vines will **not** be picked up
- ✓ Do **not** include rocks, metal or other debris in your leaf pile
- ✓ Lawn clippings will **not** be picked up
