

SLTV ADDS GRIT TV TO CH. 47.2!

South Lane Television is extremely proud to announce that KATZ Broadcasting has agreed to allow SLTV to broadcast Grit TV to our audience in the southern Willamette Valley.

Grit TV was previously available as a subchannel of KVAL in Eugene. A couple years ago, KVAL dropped Grit TV in order to add the station's parent company's subchannel network Charge! Many SLTV viewers were disappointed by the departure of Grit TV from KVAL and have continued to ask what might be done to get Grit TV back to our community.

Grit classic TV programs and feature films targeted at men between the ages of 25 and 55 years old, and SLTV is the only broadcaster in Oregon to carry Grit. (Although the Portland market receives Grit TV via a broadcast station in Washington.) Grit's program schedule is a mix of action/adventure television series and westerns such as Death Valley Days, Laramie, and Zane Grey Theatre and movies encompassing these genres. Grit's program schedule features an extensive library of films through licensing agreements with several major film studios: Warner Bros. Pictures, Universal Pictures, Paramount Pictures, and Sony Pictures Entertainment.

Grit TV replaces TUFF TV on Channel 47.2. TUFF TV is reorganizing its operation and has not been providing programming for about two months. Rather than wait until a TUFF TV reorganization might occur, the SLTV board felt that if we could get permission to carry Grit TV, it would be the best replacement for TUFF TV as they are both male-centric in their programming.

Grit TV is now on the air on SLTV Channel 47.2 I know you'll agree that Grit TV is "television with backbone."

South Lane Television, Inc. A non profit organization serving South Lane County since 1957.
