Explore Oregon Ghost Towns and Features on 38.3

CGTV, produced by independent film producers Dan Holt and Dan Hill, is featuring some shows of local interest every weeknight at 7:00 p.m. on Channel 38.3.

The series "Ghost Towns of Oregon" will continue each weeknight through January 9, followed by installments of "Exploring Oregon" from January 10 - 21, and "Oregon Video Map" will run the balance of the month.

These programs are just a portion of the programming blocks CGTV produces and airs each week night from 7:00 p.m. to 9:00 p.m. on KHWB TV, Channel 38.3.

KHWB is just one of the 36 channels that South Lane Television carries on its free over-the-air translator system. All you need is a good quality UHF antenna aimed towards the SLTV towers southeast of Cottage Grove. South Lane Television also operates a smaller UHF system with 15 channels in London and an eight channel VHF system at Dorena/Culp Creek. You can read about antenna options under "Technical Issues" on the SLTV website: southlanetelevision.org.

These messges are brought to you as a public service by South Lane Television. Our goal is to continue serving the community with the highest quality free over-the-air television service possible.
