Exploring Oregon and Other Features on 38.3

CGTV, produced by independent film producers Dan Holt and Dan Hill, is featuring some shows of local interest every weeknight at 7:00 p.m. on Channel 38.3.

The series "Exploring Oregon" continues each weeknight through January 21, followed by installments of "Oregon Video Map" running at 7:00 p.m. the balance of the month.

If you enjoy country music, mark February 1 on your calendar for the Booher Family Band at 7:30; the celebration of Bill Barkemeyer's 84th birthday party with local musicians at 8:00 p.m. Tuesday, February 19; and and The Harry Holt Story (Holt Adoption Agency) at 7:30 p.m., February 13.

These programs are just a portion of the programming blocks CGTV produces and airs each week night from 7:00 p.m. to 9:00 p.m. on KHWB TV, Channel 38.3.

KHWB is just one of the 36 channels that South Lane Television carries on its free over-the-air translator system. All you need is a good quality UHF antenna aimed towards the SLTV towers southeast of Cottage Grove. South Lane Television also operates a smaller UHF system with 15 channels in London and an eight channel VHF system at Dorena/Culp Creek. You can read about antenna options under "Technical Issues" on the SLTV website: southlanetelevision.org. Channels available are listed above.
