

COTTAGE GROVE COMMUNITY FOUNDATION

LINKING DONORS TO DREAMS

The Cottage Grove Community Foundation is governed by an entirely volunteer board. It was formed in 1991 with the purpose of supporting the community and citizens of Cottage Grove by receiving, holding, investing and administering contributions and gifts for the benefit of the community.

WHO CAN AND SHOULD LEAVE A LEGACY?

- Anyone who benefited financially from or values living here and wants to help now and in the future
- Anyone seeking a permanent way to continue philanthropic giving after their death
- Anyone wanting to support a non profit organization serving people in our area

Thank you for making Harvey Lane happen!

In December, we celebrated the completion of Misty's house—**our 71st house** and the 3rd and final Habitat house on Harvey Lane in Cottage Grove.

A year post-merger, we are so **grateful to the Cottage Grove community** for your support and participation as we work to increase affordable housing opportunities. There is a growing need for housing in Lane County, and our goal is to increase the number of houses we build and repair in order to help meet this need. This year, we expect to build three new homes in our service area, and to re-start our **A Brush With Kindness program**, which provides external repairs for low-income homeowners.

Get involved with Habitat! We are always looking for volunteers to help on the build site or on a committee—no experience needed! Contact Chelsee at Chelsee.barrett@habitatlane.org or visit habitatlane.org for more information.

Love live music, great food and drink?

Join us the second Tuesday of every month at the **Axe and Fiddle** for a musical open mic night in support of Habitat. Located at the corner of 7th and Main in Cottage Grove.
