April Students of the Month

LONDON SCHOOL

LUKE SEXTON

We would like to nominate 8th Grader Luke Sexton for the April Student of The Month. Luke is in our 6th - 8th Grade Middle School class of 23 students. He has put in consistent effort in math and completes classroom assignments. Luke

has a comical personality but usually knows when to not be disruptive in class. Luke is helpful to his friends and other London Students. He tries to do what is right and notices people in need. Luke makes an effort to keep the classroom atmosphere positive and helps other students to see the humor and brighter side when they are feeling down. He doesn't take part in Middle School drama and encourages others to do the same. Luke has been at London School since kindergarten giving us an opportunity to watch him grown into a fine young man that we can be proud of as he goes into high school and out into the world. We are proud of all his hard work this year.
