Let's Play Ping-Pong!

History of Ping-Pong

In the 1800s in England, the winter weather made it hard to play sports like tennis outside. People invented an indoor game for wintertime fun. The game was such a hit, that soon people were playing it year-round.

What is Ping-Pong?

Ping-Pong is a tennis game played on a table with a small ball and small paddles. Use the code to find out another name for this game.

The First Ping-Pong Balls

The first Ping-Pong balls were made of different materials. Sometimes they were made of rubber, string and even old champagne corks. In 1901, the Englishman called James Gibb discovered that balls made of celluloid worked better. Today, most balls are made of a plastic that is very much like celluloid.
