Variety the Goal of SLTV

Recently, I received a message from one of our viewers asking about the on-air program guide on channel 47.4, and that there were several issues in the past few months involving the program name not matching the actual broadcast. I thought if this viewer had questions, other viewers do too.

First, I should mention that our rolling schedule on channel 47.4 is produced by a company in Canada. These folks are wonderful to work with, but recently they have been having some technical issues that we hope to see resolved soon. Regarding the newspaper channel line-up guide (above), and the "grid" (below), these will also be updated once we have added a few new channels on the SLTV free over the air system.

As an example of what new programming is coming, we have a new news channel coming that should be on the air in the next couple weeks. This is a "real news" channel, not a talking head expressing his/her opinions. I expect this channel to be a hit with our viewers who are into news and shift-workers who miss regular national news programs. Broadcasting 24/7, NewsNet will have national news, weather, and sports available anytime of the day or night.

Let me leave you with this thought: SLTV is a non-profit organization, with a volunteer board of directors who run a complex system of TV and radio translators, along with various other site and system users and services. I like to say SLTV is sort of a big "TV club" of which you are a part! All you need is a good quality antenna aimed to our towers on Hansen Butte just southeast of Cottage Grove.

Our goal is to offer as much program variety as we can to provide as many program choices as possible, in as many interests as possible, from retro TV, religious programming, local and national news, sports, movies, and public broadcasting. Again, our goal is to provide as much variety as we can and still provide a free service to the community.

Happy viewing,
Lloyd Williams, President
SOUTH LANE TELEVISION
