South Lane Television, Inc.
A non profit organization
serving South Lane County since 1957.

This month on Rick Dancing TV we take you back a few years and east a few miles to the Jordan Valley. You will hear real conversations from rural Oregonians. Sunday's at 4:30 on KEVU or anytime online.

Rick Dancing Television:

Real Stories, Real People, Real Easy to watch.

*Channel Numbers are for SLTV, check local listings for cable/satellite channel numbers.

News From Hansen Butte

There are several developments on our Cottage Grove broadcasting site, Hansen Butte, that I'd like to address.

First, Channel 38 (His Word Broadcasting), and their two additional subchannels, have had problems since the big snowstorm four months ago. The problem is a periodic loss of signal from KHWB's transmitter site on the Coburg Ridge. It is unclear when they will have this problem corrected. Until they are able to make repairs on their end, viewers should expect periodic signal breakup. SLTV can only rebroadcast ch 38 as it is received. Questions about when ch 38 will be repaired should be addressed to His Word Broadcasting in Springfield.

Another problem exists with ch 44.3, 44.4, 44.5 and 44.8. These channels come via satellite from Luken Communications. These signals are not being processed correctly somewhere between Luken's uplink in Tennessee and our satellite receiving dish and decoder on Hansen Butte. SLTV engineers have been working with Luken's technicians in an effort to resolve the issue. The Luken tech desk has confirmed the issue is broader than just SLTV, way out in Oregon. We are hoping to have the issues resolved soon so that viewers will again see Family TV, Heartland, REV'N, and Retro TV in color rather than black and white.

Our goal at South Lane Television is to provide the best free over-the-air translator television possible. SLTV is a leader in America in providing free community TV. In the weeks ahead we will be launching several new channels that will push us to over 40 channels of free TV in the Cottage Grove area. In the meantime we are working hard at trying to find quick solutions to the problems outlined above. SLTV has been recently upgrading our system's complex electrical system, adding greater air-condition redundancy, and activating back-up electrical generation to better serve our viewers. Overall the system is very reliable, but right now it doesn't look that way. We're working hard to correct that. We appreciate your patience.

Happy viewing,
Lloyd Williams, President
SOUTH LANE TELEVISION

Lloyd Williams is also a member of the National Translator Association board of directors.
