CORRECTION

• In *The Sentinel* article "Local Brews Set To Tap In To CG" (July 17), the Covered Bridge Brewing Group was misidentified as the "Cottage Grove Brewing Group."

• In *The Sentinel* article "Sights, Sounds of Civil War" (July 24), it was stated incorrectly that the Civil War reenactment was put on in association with the Northwest Civil War Council (NCWC). The reenactment was put on by a coalition of three

separate reenacting clubs: The 2nd U.S. Artillery, The Maryland Line and the 1st Oregon Cavalry/4th U.S. Cavalry. While the 2nd US Artillery and Maryland Line have members who are a part of the NCWC, the Bohemia Mining Days living history camp was not done in association with the NCWC but was only possible through the hard work of these individual clubs.

The Sentinel regrets the errors.
