News From SLTV

For the past few weeks I have reported on-going issues with ch 38 (and its sub-channels). His Word Broadcasting (KHQB), whose signal is transmitted to us from the Coburg Ridge, has been so poor that we had to remove the channel from our Cottage Grove broadcasting site atop Hansen Butte.

I am pleased to report that ch 38.1 and 38.2 have been repaired and, as of press time, our engineer reports that ch 38.3 should also return very soon. We at South Lane Television are very pleased to see KHQB back up and broadcasting! On behalf of KHQB, I want to thank everyone for your patience as KHQB Engineering has wrestled through this trying time.

I am also pleased to report that after many weeks, Luken Communications has been able to restore our Retro TV feed to our ch 44.8 transmitter.

Looking ahead, we are still in negotiations with a couple of program suppliers and hope to be adding new programming in the near future. We are hoping we can add a couple of new channels by the fall television season that will be here before we know it.

Our goal at South Lane Television is to provide the best free over-the-air translator television possible. SLTV is a leader in America in providing free over-the-air community television.

Happy viewing,
Lloyd Williams, President
SOUTH LANE TELEVISION

Lloyd Williams is also a member of the National Translator Association board of directors.

These messages are brought to you as a public service by South Lane Television. Our goal is to continue serving the community with the highest quality free over-the-air television service possible.
