

Global Climate Strike, rally in CG Friday

With the United Nations poised to hold a massive climate summit Sept. 23, youth are mobilizing on Friday, Sept. 20 for a global day of action, including in Cottage Grove.

The event begins with a rally at All-America Square (formerly Opal Whiteley Park) on Main Street at 10 a.m., where a declaration of Climate Emergency will be read.

Petitions supporting the demands of the declaration to be delivered to the Cottage Grove City Council will be circulated.

The Demonstration will continue in a rally at Bohemia Park from 11 a.m. to 3 p.m. The event will include speakers, information tables, a children's area, music, food and a free market.

Copies of the Climate Declaration petition to the City will be available for signing.

This event is free and open to the public.

On Sept. 11, members of the VFW Auxiliary 3473 Cottage Grove delivered cookies to South Lane Fire and Rescue in Cottage Grove, Creswell and Saginaw, the Cottage Grove Police department, Cottage Grove Life Flight, the Creswell Sheriff's Office, Goshen Fire and the Springfield Sheriff's Office. "[Sept. 11] is the anniversary of a very dark and sad day in history," said Skye Hefner, Jr. Vice President of VFW Aux. 3473. "The VFW Auxiliary Post 3473 took time to go deliver homemade cookies as a thank you to our local first responders for all the hard work they do every day and in times of crisis." Cookies were made by several different volunteers, offering a large variety of cookies. "It was an honor to be one of the people who was able to go out and deliver these cookies, shake hands with all these brave protectors and saviors when needed," Hefner said.
