ACE

EMILY BROWN

Congratulations, Emily Brown of The Academy for Character Education

Charter School on being named September Student of the Month! Emily begins her second year at ACE as a Sophomore, contributing to classes by engaging and encouraging those around her. Though studying at ACE is one of the main focal points, Emily's kindness and consideration for others stands out even more than her stellar studying. Emily says that the commUNITY at ACE is great with peers that support each other in a relaxed way, and it's no wonder because Emily is one of the gems who help make this possible. This fantastic student transferred to ACE at the beginning of high school to support her post-secondary goals, which include attending a big name college and studying a specific field of science to support improvements in medicine. We wish you the best, Emily!
