Cozi TV Replaces This TV on Ch 5.2

Last week, and without apparent notice, the SLTV feed for This TV, rebroadcast in Cottage Grove on SLTV ch 5.2 from KOB was abruptly changed to Cozi TV. As many viewers know, KOB is an NBC affiliate from Medford, and since the Cozi TV network is owned by the NBCUniversal, it seems fairly logical that KOB would want to change networks to better line up with their NBC affiliation. And Cozi sounds a bit like KOB, so that may play into things!

This TV had a nice variety of movies and retro sitcoms and dramas. Cozi also airs classic television, primarily in the daytime, with lifestyle programming at night, along with various sitcoms and drama series throughout the broadcast day from the huge NBCUniversal Television Distribution program library. Although we all hate change, I urge our viewers to give this new network a chance.

NBCUniversal broadcasts Cozi TV in most markets served by a station owned by the NBCUniversal Owned Television Stations group. But in some markets, Cozi is available on the digital subchannels of other television stations -- but primarily those affiliated with NBC.

I urge you to explore the new programming on ch 5.2 when you're channel surfing.

Happy viewing, Lloyd Williams, President
