SLTV Features Variety On Ch 44

Last week I mentioned four television networks from Luken Communications that SLTV airs on Ch 44. This week I'd like to talk about the other four channels.

44.1 - Pursuit Channel features programming geared to hunting, fishing, shooting, recreation, and outdoor programming. Some years ago, Anthem Sports & Entertainment purchased a significant ownership stake in Pursuit Media and in the past year Anthem expanded its outdoor programming to include the professional wrestling program: Impact Wrestling.

44.2 - KTOO-360 North is Alaska's public affairs source and the most widely distributed television channel in Alaska offering a full-time schedule of Alaska programming, public affairs specials, documentaries, historical programs, Native interest shows, along with coverage of the Alaska legislature and government. KTOO is Alaska's Public Broadcasting Service.

44.5 - The World Channel is a service of Southern Oregon PBS (SO BPS). Formerly known as Southern Oregon Public Television (SoPTV), the new SO PBS is licensed as KSYS by the FCC with network programming from the national Public Broadcasting Service (PBS). While Portland-based Oregon Public Broadcasting's three TV channels and three radio channels are available on SLTV's ch 28.1 – 28.4, SO PBS offers two additional PBS networks not offered by OPB; along with PBS World, SLTV also carries PBS Create on SLTV ch 14.1

44.7 - Antenna TV offers programming consisting of classic television series from the 1950s to the early 2000s, most of which are sourced from the library of Sony Pictures, along with a selection of series from Universal Studios and MGM, but it is Carson Entertainment that brings perhaps the highest Antenna TV program viewership with nightly replays of the Tonight Show Starring Johnny Carson.

Happy viewing,
Lloyd Williams, President
SOUTH LANE TELEVISION
*Lloyd Williams is also a member of the
National Translator Association board of directors.*

These messages are brought to you as a public service by South Lane Television. Our goal is to continue serving the community with the highest quality free over-the-air television service possible.
