LONDON SCHOOL

- MYA JOLIN

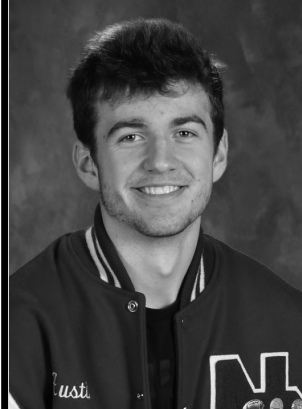

Our February Student of the Month is 4th grader Mya Jolin. Mya is in Mr. Alkire's 4th/5th grade classroom. She comes to school every day with such a determined work ethic, and she tries her best each day. Mya never gives up, asks

questions when she is confused, and is always positive. Mya has a smile on her face and a good attitude. She has grit and determination and I appreciate her hard work. Mya helps out around our school, often collecting recess equipment and picking up litter left on the playground. She has a lot of integrity and is always doing the right thing...even when others are not looking. Mya tries hard and is kind to other students. She has such a good heart. Mya works so hard in computer lab on her assignments and has great behavior in the cafeteria. She is a model example of a London Knight!
