

Spring from B1

this time, there is to be no practices, individual workouts and, per the governor's directive, no competitions until April 8."

This announcement was made after Governor Kate Brown declared late on the night of Thurs., Mar. 12 that all K-12 public schools in the state of Oregon would be closed until April 1. For sporting events and upcoming scheduled practices, SLSD added an extra week on to the school closure period and will reevaluate the situation regarding spring sports at a later date.

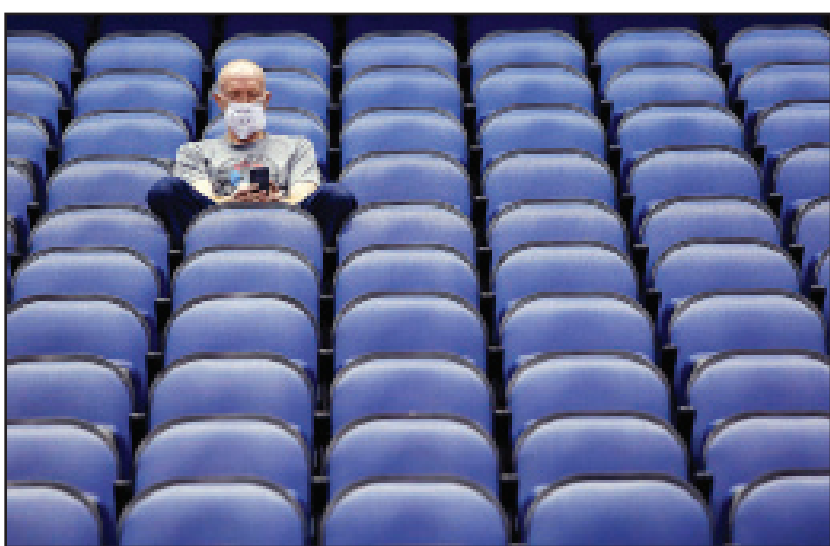

In similar moves, Yoncalla, North Douglas and Elkton high schools will also be closed for daily classes until April 1 and their own spring sports will be delayed until at least that date as well.

In a further effort to limit public gatherings and use of public space, SLSD also announced temporary closure of the Warren H. Daugherty Aquatic Center as well as the decision by South Valley Athletics to delay the beginning of both their soccer and baseball seasons.

While these updates have been clearly described as suspensions or delays — as opposed to cancellations like the OSAA state basketball championships — the situation will remain fluid for the foreseeable future. School districts around the state, SLSD included, as well as the OSAA will continue to evaluate the state of spring sports as the wider issue of COVID-19 unfolds.

A Mar. 13 press release from the OSAA reads, "During this suspension we will evaluate this evolving public health situation with the Oregon Health Authority, the Oregon Department of Education, the OSAA Executive Board, the OSAA Sports Medicine Advisory Committee and member school administrators from throughout the state to determine when, or if, to resume the spring season."
