NEWSNET ON SLTV CHANNEL 39.1

In the fall of 2017, Eric Wotila founded a low-power all-news station in Cadillac, Michigan that he called Home News Network. Citing favorable opinions from viewers about the “straight-to-the-facts, no-nonsense and commentary-free” coverage, Eric and his LNN Network proposed to develop a News Wheel format -- similar in structure to the 1982–2005 format of the then popular Headline News on cable. Under a new name, NewsNet was officially launched on January 1, 2019, and SLTV affiliated immediately. Four months later ground was broken on new studios to better support a “national” product. The new facility was finished in the fall of 2019, with 3 new studios and a state-of-the-art control room. NOTE: watch the West Coast weather maps for Cottage Grove!

The fact that NewsNet is non-political and is structured around a unbiased news, sports, and weather format, providing up-to-date information in just 30 minutes gives our South Lane Television viewers a chance to see “what’s happening” at any time of the day or night. Each half-hour of the wheel format begins with a two-minute look at the leading headlines (with updated details provided when breaking news develops), followed by an eight-minute selection of additional headlines. The remainder of the block features a national weather forecast summary (at 12 and 42 minutes past the hour), sports scores and headlines (at 17 and 47 minutes past the hour), and “Health News”, or “Living Well” (at 24 and 54 minutes past the hour). This format has landed NewsNet in all the major markets across the country, and South Lane TV is proud to be their only Oregon affiliate!

Because viewers can’t always catch the 5:00 news, NewsNet is there for you anytime of the day or night on SLTV Channel 39.1.

Happy viewing,
Lloyd Williams, President
SOUTH LANE TELEVISION
