## Douglas County Commissioners issue proclamation for Vets Day Parade

The Douglas County Board of Commissioners issued a proclamation at the weekly business meeting on Nov. 4, calling upon all citizens of Douglas County to join us in supporting our local military heroes by attending the special "Reverse" 2020 Douglas County Veterans Day Parade yesterday, Nov. 11, at the Douglas County Fairgrounds.

The proclamation was presented by Commissioner Tim Freeman, on behalf of the Board and acknowledged that:

"The freedoms we enjoy as Americans have been purchased and protected at a high price; that courageous men and women have donned the uniform of our armed forces and built a noble tradition of

faithful and dedicated service to our nation; and we can never fully repay our debt of gratitude to those heroic men and women who served, were wounded, or died in battle.

"The Douglas County Commissioners express their support for the Douglas County Veterans Day Parade at the Douglas County Fairgrounds, and agree to urge all our citizens to honor our veterans and rededicate themselves to the preservation of our liberties under the constitution of the United States of America."

The proclamation was presented to Larry Hill, President of the Douglas County Veterans Forum, Carol Hunt, Co-Chair of the Douglas County Veterans Day Parade

Committee and Jerry Anderson representing the Douglas County Veterans Advisory Committee.

Despite COVID-19, the Douglas County Veterans Forum and Veterans Day Parade Committee decided that honoring local veterans must continue, so they came up with the idea of a "Reverse" parade format to keep the tradition alive.

In a reverse parade, the floats are stationary while parade spectators drive by in vehicles.

The parade route was moved to the Douglas County Fairgrounds this year to provide proper distancing for staging of the parade entries.

The reverse format takes into account the current social gathering

guidelines, as well as the concern for the health and safety of our residents during the pandemic.

The 2020 Douglas County Veterans Day Parade Grand Marshals featured military doctors and nurses, while the theme was "Embrace the past. Engage the present. Envision the future."

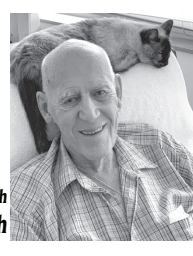

The Douglas County Veterans Day Parade is one of only two Veterans Day parades in Oregon that was not canceled due to the pandemic.

Commissioners said they were proud to support this cherished annual event, often called Oregon's Greatest Veteran's Day Parade — and this year possibly the largest.

## Anthony Boyce Day

1972-2020

Anthony Boyce Day, of Cottage Grove, Oregon, passed away unexpectedly on Monday, October 12th, 2020. Tony passed away due to what may have been another stroke. Tony survived a severe hemorrhagic stroke in August of 2009, leaving him disabled. Just like he dealt with all experiences in life, Tony managed his disability with strength and as much humor as possible. He wanted to spend as much time with his loved ones as possible. Tony was a father first and loved his children more than life. He loved his wife unconditionally from day one and every day after. Tony required honesty from himself, even incriminating himself at times, but always honest. Tony worked at Napa in cottage Grove for many years as a parts man. He loved telling jokes and being apart of the community. In his spare time,

you could find him listening to loud music or watching a crazy funny comedy, sharing all the things he loved with those around him. He was always there to help someone in need. Tony was born to Sandra and Thomas Day on November 11th, 1972. Tony is survived by his Father and Stepmother, 2 brothers and 3 sisters, his 5 children, his wife, and 3 grandchildren. Tony has told his last inappropriate joke, that which cannot be printed here. The family held a private viewing last weekend by those that were closest to his heart. The family asks that any donations made in Tony's honor go towards his family's needs to live. Tony, although disabled for many years, still provided for his family every way he knew how. With him gone new struggles will come, and we ask only that you give what you can be it time, money, or resources. It is what Tony would do for anyone he could help when he was here with us. A celebration of life will be done on November 11th at Rajahda Camp Ground (weather depending) out past Dorena. Time and more details will be posted soon to Crystal Day's Facebook. Arrangements in the care of Smith-Lund-Mills Funeral Chapel, Cottage Grove, OR.
