Turkey Talk

Gobbler or Tom: Male turkey
Hen: Female turkey
Poult: Baby turkey

Wattle: The loose fold of red skin hanging below the chin of a turkey
Snood: The red skin covering the beak of a turkey

Both male and female turkeys have wattles and snoods, but they are smaller and less distinctive on females.

Who Knew?

- Only male turkeys gobble.
- Turkeys sleep in trees.
- A turkey's gender can be determined from its droppings.
